"A premier collection of high-quality articles from leading voices in education, curriculum planning, and development. " "Curriculum Leadership: Readings for Developing Quality Educational Programs, 10/e "combines high-quality articles with cases that illustrate pre-K through high school curriculum development in action. Featuring 72 articles from historic greats and current leaders, this book balances seminal works with contemporary perspectives. New to this edition are 38 recently published articles spotlighting technology, Common Core State Standards, high-stakes testing, and assessment. Each chapter is filled with background theory, articles, case studies and essays that show school leaders how to plan quality educational programs. Features include: Offers a collection of 72 articles on curriculum leadership--that tackle the bases for curriculum leadership; developing, implementing, and evaluating curriculum; and curriculum leadership in action.Includes seminal articles by historic greats in education and development-- such as John Dewey, William Heard Kilpatrick, William Bagley, Robert M. Hutchins, Erik Erikson, Lawrence Kohlberg, and more! Introduces contemporary perspectives by current leaders in education and development--such as Charlotte Danielson, Howard Gardner, Carol Ann Tomlinson, and more!Opens each chapter with focus questions and background theory--so readers can access the prerequisite knowledge for each chapter quickly. Presents practitioner-authored case studies throughout Part III ("A Case Study in Curriculum Implementation)"--to illustrate the complexities of institutional and system-wide curriculum implementation. Ends each chapter with essays authored by curriculum leaders ("Leader's Voices"-- "Putting Theory into Practice)"--"so readers see how theory relates to practice.
